### **Guided Alaska Fishing Trips**

Vision Quest Adventures offers all inclusive, guided Alaska fishing trips that combine kayaking, rafting, hiking or base camping with remote wilderness fishing. We prefer itineraries that do not focus exclusively on fishing but have it as an added bonus to a wilderness tour. Choose from pristine rivers and lakes in the Brooks Range, the Arctic National Wildlife Refuge, Wrangell St. Elias National Park, Prince William Sound or the North Gulf Coast of Alaska that offer incredible trout, steel head, char, and salmon fishing. Custom itineraries that focus on your groups desires are our specialty and we offer both fly fishing and spin fishing expeditions. Our guided Alaska fishing trips provide two nights lodging in Anchorage or Fairbanks, transportation within the state and a guide with a degree in biology.
